**TOKUYAMA® BOND FORCE
RECEIVES A 4.5 RATING FROM
*DENTAL PRODUCTS SHOPPER***

San Diego, California, July 1, 2008 / PRNewswire – Tokuyama America Inc., a dental products manufacturer, announced today that Bond Force received a 4.5 rating from *Dental Products Shopper*. **TOKUYAMA® BOND FORCE** was reviewed by 8 evaluators with a combined total of 119 years of experience. In *Dental Products Shopper* evaluations, 5 is rated as excellent and 3 is very good. *Dental Products Shopper* also named **TOKUYAMA® BOND FORCE** as a Best Product 2008. The full article is published in the June edition.

TOKUYAMA® BOND FORCE was released in September 2007. It is a seventh-generation single-component bonding agent with a patented Self-Reinforcing (SR) Monomer that creates a 3-D link to the tooth. **TOKUYAMA® BOND FORCE** is indicated for the bonding of light- or dual-cured composite to cut/uncut enamel and dentin, fractured porcelain and composite repair.

Please contact **Tokuyama America Inc.** for any inquiries concerning Tokuyama Dental products.
