

Enrich Your Study Club with a Lecture or Hands-on Workshop from a World-Class Clinician.

Tokuyama Dental America works with many study clubs, societies and associations around the country to bring leading clinicians to speak and teach locally.

Tokuyama provides:

- A roster of well-known key opinion leaders.
- Staff to assist during the workshop and lectures.
- Turnkey hands-on setup including handpieces, curing lights and desk lamps.
- An event focused around education.

Event Requirements:

- Must have an attendance minimum of 20.
- Host must secure location and provide A/V.

For more information about Tokuyama's educational opportunities, please contact:
